Email: venkataoec@gmail.com
Version: v1.00.2026 (BROCHURE)

Stage 1: Onboarding

Stage 2: Project implementation

A Project Proposal to sensitize, review and implement Quality promotion for road safety and support with allied road infrastructure condition management

Onboarding the Planners for Businesses or Educational institutions

- To get started, we provide a Stage 1 **Road Safety & Accountability Calendar** for the year 2026-2027
- To delve further, We offer subscription-based Stage 1 Road Safety & Accountability Planners (2) for the year 2026-2027 at the **price of INR 1,000/- for unlimited distribution** of the Planner PDF(s) to the business/institution/departments/faculties/staff/employees/students via our subscription-based website.
- To work ahead of baseline planning, We also provide solution finding for your specific Road Safety & Accountability needs via our Stage 1 / Stage 2 case studies, empirical studies and NSC/NSSR training programmes priced **at INR 10,000 and above for business OR an institution, its admissions & supportive management offices and business units/channels.**
- Contact us for more details or use the **included QR code / invoice details** for payments for unlimited distribution
- Regards
- Venkatram K S and team

UNIVERSAL ASSISTANCE

- ✓ *WE BELIEVE THAT helping businesses or institutions in being well informed is a year long motto rather than a visionary after-incidence-or-supportive policy.*
- ✓ *Our vision is to enable a business, OR school, college, institution, department, project team, student, family or social circle with or without alpha (young, afflicted or impaired or aged) dependents to*
- ✓ *Use our Planner (though detailed) to be proactive for life saving health & wellness*
- ✓ *Use our different strategies and cards to plan what is to be done while experiencing a breakdown or incidence on-road*
- ✓ *Record important details for the year 2026 to keep safe and keep sensitized*
